

A CAREER IN POLICE WORK?

Coconut Palm Elementary 4th graders investigated a "crime scene", learning about the training necessary to ride a police motorcycle, and made friends with the star of Miramar PD's K-9 unit during a recent visit to the Miramar Police Department training center. The visit culminates monthly lessons about career awareness and workplace skills taught by City of Miramar volunteers at the school, through the Kids and the Power of Work (KAPOW) program. For more information, contact John Casbarro at john.casbarro@kapowlfs.org, or see their web site at www.kapowlfs.org.
